

TAKE CONTROL

*Maurice Dixon, President,
has more than 30 years
experience in the cleaning industry.*

You can manage your cleaning costs and improve your quality.

How?

With your own

Customized

Housekeeping Manual

“You can not manage what you can not measure”

DOCUMENT YOUR CLEANING

We will help you develop a housekeeping system for your facilities that will include:

- Accurate Inventories of Space
- Square Footage of Various Areas and Types of Floor Covering
- Desired Cleaning Frequencies
- Employee Work Schedules
- **PLUS**, we will implement your program with live, hands-on custodial training
- Cleaning Check Lists For Each Area
- Written Cleaning Procedures Customized to Your Needs
- OSHA and Right to Know Compliance
- Inspection Program

Our company has developed Housekeeping Manuals and implemented programs for clients throughout North America. We also conduct Cleaning Audits and Custodial Training Sessions for all types of facilities. For detailed information, phone or fax us, or fill in and return this reply coupon to:

Dixon & Associates, 6515 Gleason Ct., Edina, MN 55436 - 1-(877) 379-3566
